Hello Tucson Unified Teachers,

Our school district is taking part in a multi-district research survey to understand the experiences and challenges faced by school personnel. The survey seeks to gather insights into professional needs and perspectives on current trends in education. You have been chosen to participate in this important survey.

Applied Marketing Science (a market research consulting firm) will be working with a third-party, Luth Research, who will contact you via email with a link to the survey, which should take no more than 10 minutes to complete. **Please be on the lookout for an email from [AppliedMarketingScience@surveysavvy.com](mailto:AppliedMarketingScience@surveysavvy.com).**

### **What's involved?**

You will receive an email in the next few weeks from [AppliedMarketingScience@surveysavvy.com](mailto:AppliedMarketingScience@surveysavvy.com) with a link to the survey to be completed **no later than Monday, April 21st.**

We ask that you please take the time to complete this survey as it is important to our school district.

We appreciate your time as we know it is valuable. Your responses to the survey will only be reported to the district in the aggregate and will not be linked to you in that report or considered in evaluating job performance.
